Website Privacy Policy

According with the European General Data Protection Regulation n. 679/2016 (G.D.P.R.) and the Decree n. 196/2003 (Italian Privacy Code), the information provided below describes the data processing and management of the information collected during the navigation on the websites *www.chino.io* and *www.consentame.it*.

1) Data Controller

Visiting the websites listed above may result into processing data relating to identified or identifiable natural persons.

Chino Srls is the Data Controller and is based in Via Segantini, 28, 38068, Rovereto (Italy).

The Data Controller can be contacted via email at info@chino.io.

2) Categories of Personal Data and Purposes of the Processing

a) Browsing data

The information systems and software procedures relied upon to operate this website acquire personal data as part of their standard functioning; the transmission of such data is an inherent feature of Internet communication protocols.

This data category includes the IP addresses and/or the domain names of the computers and terminal equipment used by any user, the URI/URL (Uniform Resource Identifier/Locator) addresses of the requested resources, the time of such requests, the method used for submitting a given request to the server, returned file size, a numerical code relating to server response status (successfully performed, error, etc.), and other parameters related to the user's operating system and computer environment.

These data are necessary to use web-based services and are also processed in order to

- extract statistical information on service usage (most visited pages, visitors by time/date, geographical areas of origin, etc.);
- check functioning of the services.

b) Data communicated by users

Sending messages, on the basis of the user's free, voluntary, explicit choice, to our contact addresses, and filling in and sending personal information requested in the forms of various services on the website (e.g. Registration portal, mailing lists, etc.) entail the acquisition of the sender's contact information – which is necessary to provide a reply – as well as of any and all the personal data communicated in that manner.

The provision and recording of personal data is done only upon explicit consent given by Users during the registration process or mailing list subscription for the purposes mentioned above.

In addition, the e-mail provided by the user, could be used by the owner for the promotion of services similar to those to which the user has subscribed, to send to the User promotional material related only to those goods or services, or for carrying out market researches or commercial communications.

The User may object to this treatment by clicking on the option to unsubscribe at the bottom of each email received. This opposition does not produce any effect on Chino's services provision.

3) Cookies

The management of Cookies on Chino.io website is described by our Cookie Policy at this page: <https://chino.io/legal/how-we-use-cookies>

4) Third-party services

This website uses Google Analytics, an analytics service provided by Google, Inc. ("Google"), in order to improve its usability and communication with users, estimate the degree of internationalization of the users, promote institutional activities, and customize and analyse the various types of users. Google may transfer the collected data to third parties, according to its obligations with law. Data are collected for the sole purposes described above and will never be sold to third parties for commercial purposes.

For more information about Google Inc Privacy Policy see:

<http://www.google.it/analytics/terms/it.html>

For contact management purposes and to contact Users interested in the Chino.io service, and for those that subscribed to the mailing list, we use Hubspot service from HubSpot, Inc.

The personal information collected by Hubspot service includes only email addresses and names provided by users. For more information see Hubspot Privacy Policy: <https://legal.hubspot.com/privacy-policy> .

5) Processing methods

Personal data are processed by automated tools for the time strictly necessary to achieve the purposes for which they were collected. We have also taken all the security measures prescribed by applicable laws regarding the minimum security measures to prevent the loss of data, unlawful and unauthorized access.

6) Data Subjects' Rights

Chino puts in place measures to guarantee that collected data are kept up-to-date and processed securely. The data subjects have the right to obtain from Chino, where appropriate, access to their personal data as well as rectification or erasure of such data or the restriction of the processing concerning them, and to object to the processing, and to receive a copy of the processed data in a standardised format in case they wish to transfer it to another controller (data portability), and they have also the right not to be subject to automated decisions (made solely by machines) affecting them, as defined by law (pursuant to Articles 15 ss. of the Regulation).

If a data subject considers that the processing of personal data relating to him or her as performed via this website infringes the Regulation, he or she has the right to lodge a complaint with the national data protection authority pursuant to Article 77 of the Regulation, or else to bring a judicial proceeding against the national data protection authority pursuant to Article 79 of the Regulation.

7) Changes to Privacy Policy

Chino Srls reserves the right to make changes to this privacy policy at any time by giving notice to its users on this page.

If you want to object to any of the changes to the Policy, you must cease using this website and you can request that we remove your Personal Data.

Your continued use of our services constitutes your agreement to the updated privacy policy on a prospective basis.

If you have any privacy concern regarding this Policy or how Chino Srls manages your data, please send us an email to: legal@chino.io
